

The Bexar Appraisal District is Here for You

As part of our growing public outreach and public relations program, we'd like to extend the opportunity for you to have a representative of the Bexar Appraisal District at your next community meeting.

The purpose of our outreach program and public relations program is to promote effective communication between the District and members of the public, taxing entities and other related agencies by providing accurate and timely information. Speaking engagements are an excellent opportunity for the District to meet with and educate the public on the District's purpose, how it operates and general appraisal information. Other topics include the property tax process, how to file appeals, and how to apply for exemptions.

If you are interested in having the Chief Appraiser or a delegated member of his staff at your next meeting, please email your request to outreach@bcad.org. Be sure to include the meeting date, time and location as well as any specific topics you would like to be addressed. We will respond as soon as we can confirm our attendance. Please be sure to submit your request at least 2 weeks in advance for scheduling.

We look forward to seeing you!
