

To comply with federal, state, and local orders, and to prevent the spread of COVID-19, the Bexar Appraisal District will be closing its lobby to the public effective Monday, March 23 until it is deemed safe to return to normal.

Appraisal District staff will still be available to assist you during our normal business hours by phone at 210-242-2432 or via email at cs@bcad.org. Exemption applications, Business Personal Property renditions, Notices of Protest and other documents can be submitted via email, fax or by regular mail to both our PO Box and physical address. Please be sure to include the property address or account number and YOUR phone number and/or email address so we can contact you should additional information be needed.

Additionally, the District will be delaying the mailing of Notices of Appraised Value. Notices sent to fiduciaries, or tax agents, will not be mailed until April 18th while those sent directly to property owners will be held until mid to late May.

Bexar Appraisal District's priority is to protect the safety and health of the public we serve and members of our staff. Keep checking back with us for updated information and additional changes. We appreciate your patience and understanding during this time.
