SECTION 4: Inventory Schedule (Continued)

	Description of Heavy Equipment Sold, Leased or Rented			Type of Sale,	Sale Price,	Unit
Date of Sale, Lease or Rental	Item Name	Identification/ Serial Number	Name of Purchaser, Lessee or Renter	Type of Sale, Lease or Rental	Lease or Rental Amount	Property Tax
				Total f	or this page only	
	Total unit property tax this month					

Unit Property Tax Factor Used*

^{*} Contact either the tax assessor-collector or appraisal district for the current unit property tax factor. The unit property tax factor is calculated by dividing the aggregate tax rate by 12. If the aggregate tax rate is expressed in dollars per \$100 of valuation, divide by \$100 and then divide by 12. It represents one-twelfth rate at the location where the inventory is located on Jan. 1 of the current year.

Printed Name of Dealer or Authorized Representative sign

Important Information

GENERAL INFORMATION: This form requires dealers of heavy equipment inventory to file this tax statement with the tax assessor-collector, together with a monthly payment of the total property tax assigned to all heavy equipment sold, leased or rented in the preceding month (Tax Code Section 23.1242). A dealer that does not sell, lease or rent heavy equipment during a month is required to file a statement indicating that no sales, leases or rentals were made in the prior month. The dealer must retain documentation relating to the sale, lease or rental, of each item of heavy equipment. A dealer may use no other form but this for the purpose of heavy equipment inventory tax statement (Tax Code Section 23.1242(e)).

FILING INSTRUCTIONS: You must file each original completed monthly tax statement and monthly tax payment with the assessor-collector and a copy of the statement with the appraisal district's chief appraiser. **Do not file this document with the Texas Comptroller of Public Accounts.** Contact information for appraisal districts and county assessor-collectors may be found on the Comptroller's website.

FILING DEADLINES: Except as provided by Tax Code Section 23.1242(g), a statement and prepayment of taxes must be filed on or before the **20th** day of each month.

FILING PENALTIES: In addition to other penalties provided by law, a dealer who fails to timely file a statement must forfeit a penalty of \$500 for each month or part of a month in which a statement is not timely filed after it is due. A tax lien attaches to the dealer's business personal property to secure payment of the penalty. An owner who fails to remit unit property tax due must pay a penalty of 5 percent of the amount due. If the amount due is not paid within 10 days after the due date, the owner must pay an additional 5 percent of the amount due. Unit property taxes paid on or before Jan. 31 of the year following the date on which they are due are not delinquent.

OTHER IMPORTANT INFORMATION: The chief appraiser or collector may examine the books and records of a dealer pursuant to Tax Code Sections 23.1241(g) and 23.1242(f).

DEFINITIONS:

Date

Type of Sale, Lease or Rental: Provide one of the following codes for each sale, lease or rental reported.

- HE Net Heavy Equipment Inventory Sales, leases and rentals of heavy
 equipment less fleet transactions, dealer sales and subsequent sales. Heavy
 equipment means self-propelled, self-powered or pull-type equipment, including
 farm equipment or a diesel engine, which weighs at least 1,500 pounds and is
 intended to be used for agricultural, construction, industrial, maritime, mining
 or forestry uses. The term does not include a motor vehicle that is required to be
 titled under Transportation Code Chapter 501 or registered under Transportation
 Code Chapter 502.
- FL Fleet Transactions The sale of five or more items of heavy equipment from your inventory to the same buyer within one calendar year.
- DL Dealer Sales Sales of heavy equipment to dealers.
- SS Subsequent Sales Dealer-financed sales of heavy equipment that, at the
 time of sale, have dealer financing from your inventory in this same calendar
 year. The term does not include a rental or lease with an unexercised purchase
 option or without a purchase option.

Sales Price, and Lease or Rental Amount: Sales price is the total amount of money paid or to be paid to a dealer for the purchase of an item of heavy equipment; or for a lease or rental, the total amount of the lease or rental payments received for an item.

Unit Property Tax: To compute for sales, multiply the sales price by the unit property tax factor. For a lease or rental transaction, multiply the monthly lease or rental payment received by the unit property tax factor. For fleet transactions, dealer sales and subsequent sales that are not included in the net heavy equipment inventory, the unit property tax is \$0. If no unit property tax is assigned, provide the reason. Provide the total unit property tax for this month that will be submitted with the statement to the assessor-collector.
